

On Monday the fourth of May Year 3 and Year 4 went on an excursion. Year 3 was going to Girrakool and Year 4 was going to Australian Wildlife Walkabout Park at Calga.

Firstly the bus arrived at 8.30am and left Copa School at 8.45am. Then we dropped off Year 3 at Girrakool and went back on to the freeway. Then we reached our destination. It was Walkabout Park.

Next we had recess and walked down to a pond to catch yabbies. Then we finally went on our tour. We saw lots of animals like dingos, emus, kangaroos, koalas and wallabies. Also we saw lots of Aboriginal rock caves, a groove for tools, hand prints, many meat ants, frog ponds, trees and many more.

After that we ate lunch and threw boomerangs and we had caught one yabby in our net. We also saw some Eucalyptus trees and Banksia trees.
