

On Monday 5th May we had an excursion.

We dropped our bags off and got on the bus at 8.30am and left fifteen minutes after that. We dropped the Year 3s off at Girrakool and headed off to Calga to get to the Australian Walkabout Wildlife Park.

We went to have our lunch and set off on our Darkinjung Dreaming Tour. We found out about the Opera House yabby net. Then we went looking for native animals. We also saw an initiation cave, grooves for sharpening tools and looked at a meat ants' nest.

We had our lunch and set off on our Bush tracker Tour. We discovered special plants that revolutionised the Aboriginal's ways, got our yabbies and threw some boomerangs.

Then we went back to school.

I had a very exciting time and had fun.

Joseph
